- Looking into changing banks
- Clinic training food and materials same
- We try to budget high and spend low
- Adjusted Clinician fees and mileage
- Observer 1500\$ - to bring someone in to observe
- Got rid of rookie rebate
- Eliminated region chair
- Removed some things that were a one year only thing
- Adding money for Swag? Yes 300\$
- Approved budget

Board members don't pay registration fee? Approved

Training updates – Les has rooms for Nov 2nd and 9th -> no set agenda, trying to be interactive

New Officials – reaching out to make connections, trying to pair officials during games

New Mexico Officials – don't have enough to make a board and want to join ours. They would pay our dues and come to our trainings, we don't have the resources to travel there. Our 1st priority is CO but they are welcome to come here

Recruiting Officials – National survey says the best source for recruiting officials is from connections current officials have. So ask people you know to join us. We are a fun group! Also we are looking in to making business card for officials to give out to prospective officials, generic with info on how to become an official.
